

Guardianship: The Principles and Process

a continuing education unit (CEU) course

Wednesday, January 14, 2015

8:00am – 9:30am

The subject of guardianship is a very important issue and only becomes more so by the day. Having a proper understanding of guardianship and how it affects both you and those you serve can be vital to excelling at your job.

Join us for a CEU presentation by Martha Kern, Director of Lifecare Innovations, Inc., who will be facilitating this discussion on guardianship and important aspects of related subjects.

Upon completion of this course, participants will be able to:

- Describe optimal guardianship situations
- Discuss risks and outcomes
- Define guardianship and the process involved
- Explain how to choose the right team to minimize your risk
- Describe the principles for decision making

Breakfast will be provided.
