“Dear Friends,

I can’t thank you enough for the excellent care your services provided to my parents while they were in Chicago. As sad as my Dad’s passing is, Mom thrived with your generosity of love and support. At the most difficult time you staff came through nurturing and comforting.

When I think of all the things you folks accomplished for me, especially the insurance debacle, I am overwhelmed with thanks.

Mom is living happily in an assisted living facility only 15 minutes from my home in Colorado.

I will never forget everything you did. You offer amazing services and it seems like there is nothing you won’t do! I **love** Lifecare!”
