Hi Shay

So I asked her, ‘on a scale of 1-10, or just generally speaking, are you happy with us? How have we done for you?’

Here is what she said:

- “you guys are great!”
- “you’re extremely easy to work with”
- “you’re thorough”
- “you did great research to back it up”
- “you’re careful”
- “did the detail and went over it line by line”
- “and you did it in two weeks”
- “WE COULDN’T BE HAPPIER”
