Hi Pat, Marcela and Jack,

M and I were talking about the nice birthday party for our Uncle. He and everyone else enjoyed the exotic animals. The presentation certainly kept his attention the entire show. Pat, I have no idea how you keep coming up with these various kinds of entertainment, but I can hardly wait to see what next year brings. His birthday cake and decorations were very festive. It would have been a shame to discard them, so I'm glad Jack took the decorations back to the office to be used next year. Thank you for giving all of us a 'celebration to remember'. Hope all of you have a wonderful Christmas.

M
