THE SECRETS THEY KEEP: THE INNERMOST FEELINGS SENIORS DON'T SHARE AND HOW TO ADDRESS THEM

SPEAKER: MARTHA KERN

Chief Marketing Officer, Lifecare Innovations, Inc.

Martha has worked for Lifecare the past 16 years and initiated research into the Affordable Care Act.

The transition to late life brings with it new priorities and new worries. Everyone has known people for whom the “golden years” were not terribly golden – they endured difficult changes and a humiliating loss of independence. As the seniors we serve get older, their worry over what lies ahead may prompt them to withhold their feelings and withhold the truth about changes in their abilities. This presentation explores fears and occurrences that seniors may keep secret and how we, as advocates, can encourage candor and help solve problems.

Seating is limited at this event. RSVP by February 6th to Susan Kocanda at 847-537-5000 or skocanda@belmontvillage.com.

Participating social workers, nursing home administrators and nurses will be eligible to receive 1 CEU at the completion of this program. CEU certificates will be provided by Lifecare Innovations.
