**Patricia Cline** has been an irreplaceable asset to Lifecare Innovations since January 2002. Patricia's title is Expert Life Care Manager and Life Care Planner. Her role involves multifaceted, client-centered direct service, guiding clinical staff, providing medical-legal consultation, and preparing Life Care Plans and related reports. She has testified as an expert on matters involving cost of care and life care planning and has worked with trust professionals, divorce counsel, plaintiff and defense firms.

Patricia is a licensed clinical social worker in Illinois, a credentialed advanced practice social worker in Wisconsin, a certified life care planner, certified case manager, certified advanced social work case manager, and holds the National Certified Guardian designation from the Center for Guardianship Certification.

Prior to joining Lifecare Innovations, Patricia held social work and case management positions in several settings including long term care facilities, the Illinois Department of Mental Health and Developmental Disabilities, Marianjoy Rehabilitation Hospital and Clinics, and Rush University Medical Center.

Patricia has been lecturing and speaking for over 30 years and has presented various topics to attorneys, trust administrators, hospitals, long term care staff, social work, and case management groups. She is a member of The National Association of Social Workers, The International Association of Rehabilitation Professionals, The Aging Life Care Association, and the Spinal Cord Injury Association of Illinois.

Patricia earned a Bachelor degree in psychology from DePaul University, Master of Social Work from Jane Addams College of Social Work at the University of Illinois at Chicago, and Master of Bioethics and Health Policy from the Neiswanger Institute of Bioethics at Loyola University Chicago.
